

## CHAMBER LAUNCHES GOLF LEAGUE

By Jarrod McKee, League Chair

That's right! More golfing fun is coming your way beginning July 26<sup>th</sup>. We're inviting your employees to be part of this great recreational activity whose goal is to bring local businesses and organizations together for fun, fellowship and networking.

**When:** Tuesday evenings starting at 5:15 p.m. We'll have a shotgun start (everyone starts on a different hole at the same time.) We'll begin July 26 and run for 10 weeks through September 27. The first night will be a practice night and the last night will be the team scramble and awards night.

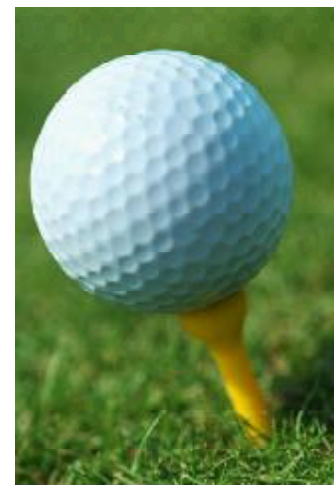

**What:** 9-hole matches. One match head-to-head against another team and one blind draw match each week. Points are awarded every 3 holes. A bonus point will be awarded to the winner of the match. Handicaps will be established for the league starting the first night.

**Teams:** 3-player teams. Two players from each team will play each week. Typically you'll play two weeks then take a week off. You may choose any 3 people you want to play to participate on your team. Substitutes will also be allowed to participate.

**Costs:** The league will cost \$75.00 per team for Chamber Members or \$150 per team for non-members, plus all appropriate golf fees each week. The league fees will go towards an end of season banquet and league prizes. The Honeywell Golf Course has established special rates for league nights. These rates offer a discount off their everyday green and cart fees and will be as follows:

9 holes walking	\$10.00
9 holes cart	\$16.50

## JULY BLUE RIBBON BUSINESS OF THE MONTH

## HONEYWELL FOUNDATION

The Blue Ribbon Business of the Month for July is The Honeywell Foundation. Foundation President, Bruce Ingraham and Executive Director, Tod Minnich were able to discuss the history, purpose, and mission of the Honeywell Foundation. The Honeywell Foundation operates the Honeywell Center located in the historic district of Wabash. The Center was built in the 1940's by Wabash native Mark C. Honeywell, co-founder of Honeywell, Inc. This historic facility houses the 1,500 seat Ford Theater, Carpenter Plaza, Clark Gallery, Garver Sculpture Plaza, the Olivette Room (a partial replica of Mr. Honeywell's 1930s yacht), and a 27 panel exhibit about Mark and Eugenia

Honeywell. The rooms are available to rent for business meetings, wedding receptions, and can accommodate many groups. The Foundation also owns and operates the Eagles Theatre and the Honeywell House.

The Center is home to enriching programs and events featured either in the beautiful Ford Theater, Clark Gallery or one of the many meeting spaces. In addition to programs provided at the Center, the Honeywell Foundation offers an extensive Educational Outreach Program for regional schools, and a Senior Outreach Program geared toward older individuals. This charitable organization is run by an endowment from Mark C. Honeywell and charitable donations.

Throughout the summer, many programs are being offered for the public free of charge such as the Summer Plaza Music Series every Thursday at the Center. Jazz on the Lawn will be held at the Honeywell House at a charge that will be used for further educational and programming opportunities. Notable musicians will be performing at the Honeywell Foundation including ZZ Top, Darius Rucker, and Randy Travis. Times and admission can be found on the Honeywell Center's website. Through this programming, the facility brings in over one million dollars to the Wabash County area each year.

The Foundation's positive outreach to the public is a direct result of the staff's passion to provide new and fresh ideas. Executive Director, Tod Minnich plays an intricate roll in the facility operations, wearing many hats as he is heavily involved in a myriad of activities relative to the Honeywell Center. Rebecca Lambert is the executive assistant. Executive Chef, Harry Kilmer runs Eugenia's restaurant, in addition to catering weddings and meetings. Kyle Dubois is the facilities director and finance manager. Shannon Shrider is the hospitality manager. Cathy Gatchel focuses on development, while Andrea Zwiebel is the program manager. Getting the marketing message out is handled by Ann Harting, Marketing Director, and Becky VanPatten handles Creative Services. The Educational Outreach program is managed by Jayne Rice. Cohesively, the staff has a "can do" attitude that has noticeably delivered many opportunities for the citizens of Wabash and surrounding Counties.

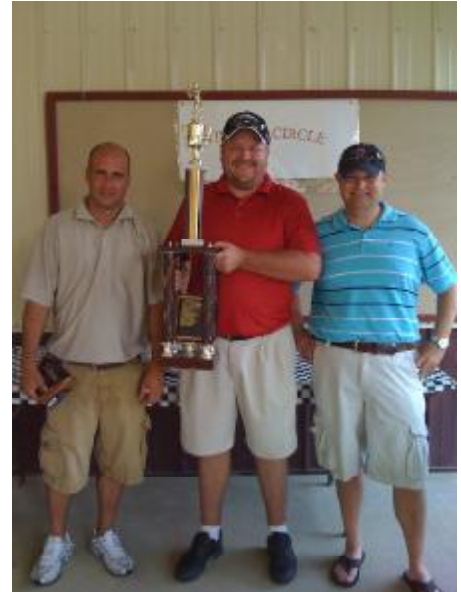

Current Board members include Bruce Ingraham, John Forrester, Marilyn Ford, Dave Haist, James Ridenour, Steve Ford, Steve Downs, Janet Halderman, and Tade Powell.

Please visit [www.honeywellcenter.org](http://www.honeywellcenter.org) to view the programs being offered or find how you can give a charitable donation.
